Copenhagen is known as a city of spires—the skyline of its medieval core is punctuated only by the steeples of churches and towers of palaces—though a modern building boom has overtaken other parts of the city. Today's Copenhagen is known for its excellence—in architecture, design, decor, fashion, and food. Your stay here includes a half-day exploration of the city, designed to take you right into the heart of the Danish capital, with highlights including the Little Mermaid and the Gefion Fountain, Amalienborg Palace, the Royal Opera House, and more. On the second day, you'll enjoy a canal cruise, rickshaw tour, and have free time to explore at Reffen local food market, before boarding your cruise.

All Passport details should be confirmed at the time of booking. Sales of this program close 90 days prior: book early to avoid disappointment, as space is limited.
